Dear Ron,

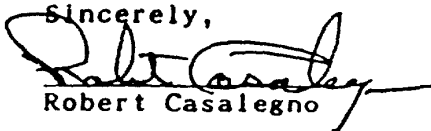

It is with very great regret that I have to write this letter. I have put many hours of thought into this matter.

As of your receiving this letter, I am resigning from the Parks and Recreation Commission. It is for personal matters that I can not cope with at this time. It is very important that all commissioners and especially the chairman be able to communicate with all members of the staff. I find that impossible at this time.

I want what is best for the department and the city. Once again, I want you to know that I do this with great regret. I hope that at some time in the future I might be able to get back on the commission. I have also been asked to be on the board of the Pacific Water Quality Association, so I am not dropping out, I am just being forced to make some changes.

I hope you can understand what I am doing. I have very much enjoyed being on the commission. I know Ed Wall will take over and be a very good chairman.

Sincerely,

Robert Casalegno

Lodi Arts Commission
Evelyn Olson, Chairman
125 S. Hutchins Street, Suite D
Lodi, California 95240

Dear Evelyn:

It is with deep regret that I submit my letter of resignation as a commissioner from the Lodi Arts Commission. During my tenure I served with conviction and love for the arts. I strongly believe that our city will be highly enriched by the programs that the commission has worked so hard to achieve. The Young Renaissance Art Show and now the new Drama Fest '94 are a good example of the several projects developed by the members of the Lodi Arts Commission. I am honored to have been a part in the development of some of these projects.

I am truly sad for having to resign, however my work schedule and other circumstances make it extremely difficult to attend the 12:00 noon scheduled meetings. As my time allows I will continue working towards the betterment for the arts.

I thank each and everyone in the commission for their cooperation.

Sincerely,

Juan M. Gonzalez
